

IMPORTANT ANNOUNCEMENT

The Technical Committee of the Consortium for State Court Interpreter Certification is developing a **Practice Kit for Spanish** interpreters who are preparing to sit for the Consortium's Spanish performance examination. The Practice Kit will be available soon and will consist of an instruction booklet, a practice examination, scoring dictionaries, and an example of a passing performance on the examination.

When the Practice Kit is available, you will receive an e-mail that provides directions for ordering and purchasing the kit. (It is anticipated that orders for a Practice Kit will be accepted online and via mail; no telephone orders will be accepted.)

Note: By providing your name and e-mail address, you are not agreeing to purchase a Practice Kit and you will receive no marketing e-mails. You are only indicating that you would like to be notified when the Kit becomes available. This will help the Consortium estimate the potential demand for the Practice Kit.
