

# Consortium for State Court Interpreter Certification

## Agreement and Oath for Technical Committee Members

I certify and affirm that I will not discuss or divulge the content of Technical Committee meetings insofar as such content relates to confidential<sup>1</sup> information, including all written and oral test materials content. I will preserve the confidentiality and provide appropriate security for any confidential material in my possession at any time.

In addition, because some of the discussions during these meetings will shape the future of the Consortium, I understand the importance of freely offered and differing opinions. I agree that I will treat these opinions and vigorous arguments confidential and respect the process by which the Committee reaches its ultimate decisions.

Further, I acknowledge that the Committee may discuss or share information that, while not inherently confidential (such as test content), may be sensitive and disclosure of which would not be in the best interests of the Consortium. When information is identified as sensitive, I certify that I will not share or discuss such information with anyone outside of the committee membership or staff.

I understand that these affirmations extend beyond the period of time that I serve as a member of the Technical Committee.
